**Request for Civil Harassment Restraining Orders**  
(Civil Harassment Prevention)

CH-100, Page 6 of 6

**7a(3) - Describe Harassment**

4/5/2018 – When I go take a walk, coordinates to come out with the person who had attacked me with his dog, as I went to the hospital, and assault and battery with his girlfriend at the same time in hopes he could passive aggressively get a reaction. He walked by me close but I said nothing. After passing him and continuing my walk, the dog attacker came out yelling at me who I said nothing in return. I then took a picture so I can try to get his name for a restraining order which he flicked me off. Both working together as Greg contacts people having them work with him. Strangers I have no clue who they are. Detectives don't seem to want to give me the dog attackers name for a restraining order

4/6/2018 - Greg Koenig tries to jam car window shut again with endless car defacings.

## 7b - Previous Harassments

Greg Koenig Stalking me and notifying mass groups to help him

21620 Burbank #2  
Woodland Hills, Ca 91367

- This has been going on since I moved in 17 years ago, and Greg Seems to be the Ring Leader in this area
- Seems to have started when I first moved in, and he was watching my place trying to get anything he could use against me. Which a call was made to the HOA because I had not immediately taken my garbage to the trash can, but placed it on my porch for a while, while doing other things at my place trying to micro manage my living
- Seems to be going through HOA rules and regulations trying to find any imperfection to use against me on conversation on the video of him defacing my car
- Video of Greg Koenig Defacing my car
- Video of Greg Koenig coming on my property throwing cards
- Greg has been contacting as many people as he can with endless lies about me involved in something much bigger and working with the police on illegal neighborhood watch groups all directed at me trying to set me up which seems to be personal. And not about observing crimes. The mass groups are all directed at me riling up extremely large groups taking turns on me with endless passive aggressive provokings in large groups based on defamation and slander
- Endless other car defacings going on for years
- Greg slashings slashing my convertible top
- Greg slashing my car tires
- Hate speech on my cars over and over
- Spit on my car over and over
- Keying one of my cars
- Threatening messages written on notes on my cars to me
- Dog crap on the door handle
- Tearing signage off my car, and car magnets
- Trying to jam my windows shut with the cards I am forced to pass out telling everyone they have been lied to
- Insinuating to me and others that I am somehow trying to steal his Girlfriend, or wife that I don't even know
- belittling comments as he drove by with a girl with him showing his true nature
- is telling mass groups to follow me from place to place provoking me trying to get reactions to use against me
- Greg having people endlessly and obsessively follow me to coffee shops, restaurants and food delivery people, and other places thugging, harassing, provoking and passive aggressive behaviors working with them in setup attempts with the groups he is contacting
- He refuses to address the bigger issues trying to get leverage to control me, then telling me I should move to China, or I am crazy with these mass stalking groups, after me telling him about a currant affair with China only allowing one news source and talking about both sides of the argument
- Working with the Met security complex surrounding my place giving people the camera feeds and them coming out when I go out for walks with all sorts of passive aggressive setup attempt/frame job terror tactics and groups in these surrounding complexes are told to come out at the same time I walk out of my house trying to provoke me into reactions for 17 years now
- Trying to get me to go after Terrance Scroggins, his next door neighbor, working with him saying the man in the green Miata which was on our street is going to beat me up
- Might even be a hired thug in regards to something much bigger going on in the Entertainment Industry, and worldwide being done to me that links to a Brian Longbotham – Visual FX supervisor I worked for in Modern Video Film and Some Universal Studio jobs in all sorts of frame jobs which they don't want me talking about and I have had endless, threats and death threats over, connected to Mike Huntley a 25 year friend who wanted me to move back from University of Colorado to start a 6 year company, going from friend to "We are using the system against you", "I have given you enough rope to hang yourself with", and singing "World of paranoia" while dropping papers on my desk about making people mentally ill to control them

while I have no friends status with Greg Koenig, he is just another person who has been given the libel, slander and defamation about me and is in an angry rage that I am walking the streets for some reason which they cannot specifically tell me why they are so mad

I need to be made sure that I am safe from Greg, But he contacts strangers to help him in mass groups as explained in attachment 7b

Something needs to be done to prevent him from telling people to help him stalk me because it is impossible to file restraining orders to mass groups told to work on you with passive aggressive terror tactics which can be described at <http://www.KevinPerelmanTarget.com> that they never stop doing

So that he can hide from me while having others attack me in his anger and rage, try to turn it around, as I wonder where it is even coming from

## INSTRUCTIONS ON HOW TO COMPLETE THE COVER SHEET

**To Plaintiffs and Others Filing First Papers.** If you are filing a first paper (for example, a complaint) in a civil case, you **must** complete and file, along with your first paper, the *Civil Case Cover Sheet* contained on page 1. This information will be used to compile statistics about the types and numbers of cases filed. You must complete items 1 through 6 on the sheet. In item 1, you must check **one** box for the case type that best describes the case. If the case fits both a general and a more specific type of case listed in item 1, check the more specific one. If the case has multiple causes of action, check the box that best indicates the **primary** cause of action. To assist you in completing the sheet, examples of the cases that belong under each case type in item 1 are provided below. A cover sheet must be filed only with your initial paper. Failure to file a cover sheet with the first paper filed in a civil case may subject a party, its counsel, or both to sanctions under rules 2.30 and 3.220 of the California Rules of Court.

**To Parties in Rule 3.740 Collections Cases.** A "collections case" under rule 3.740 is defined as an action for recovery of money owed in a sum stated to be certain that is not more than \$25,000, exclusive of interest and attorney's fees, arising from a transaction in which property, services, or money was acquired on credit. A collections case does not include an action seeking the following: (1) tort damages, (2) punitive damages, (3) recovery of real property, (4) recovery of personal property, or (5) a prejudgment writ of attachment. The identification of a case as a rule 3.740 collections case on this form means that it will be exempt from the general time-for-service requirements and case management rules, unless a defendant files a responsive pleading. A rule 3.740 collections case will be subject to the requirements for service and obtaining a judgment in rule 3.740.

**To Parties in Complex Cases.** In complex cases only, parties must also use the *Civil Case Cover Sheet* to designate whether the case is complex. If a plaintiff believes the case is complex under rule 3.400 of the California Rules of Court, this must be indicated by completing the appropriate boxes in items 1 and 2. If a plaintiff designates a case as complex, the cover sheet must be served with the complaint on all parties to the action. A defendant may file and serve no later than the time of its first appearance a joinder in the plaintiff's designation, a counter-designation that the case is not complex, or, if the plaintiff has made no designation, a designation that the case is complex.
